All private tour bookings are subject to guide availability

Once we receive your Private Tour Request Form, we will confirm guide availability for your requested date and contact you to arrange payment. Booking will be confirmed once payment is received.

Tour dates are not booked until payment is made, and all bookings are subject to guide availability. We will hold your requested date for five days after we send you your payment information, but cannot guarantee guide availability if payment is not made within five days.

Prices do not include taxes and fees or gratuities for your guide. Tipping is greatly appreciated for a job well done.

Lateness and Cancellation Policies

Private tours are approximately two hours in duration and begin promptly at the stated time; we recommend you arrive fifteen minutes prior to the tour start time. Tours may be adjusted to fit the remaining available time in the case of late customer arrivals.

Tours run rain or shine except in cases of severely inclement or dangerous weather conditions. In the event that severe weather conditions prohibit running the tour on your desired date, every effort will be made to find a rain date. If no rain date can be agreed on, the client will receive their payment back less a non-refundable \$50 administrative fee. All weather related cancellations are determined at the discretion of Boroughs of the Dead management, but are generally tied to National Weather Service Alerts.

In the event you cancel with more than 2 weeks' notice, your payment will be refunded in full. Cancellations made with less than 2 weeks' notice will be refunded 50%.
